## SOMETHING MAGICAL HAPPENS WHEN RED IS BROUGHT INTO A ROOM'S DÉCOR.

*Introducing the Fusion Red Chest from Samuelson Furniture's Delano Collection.*

(Paterson, NJ. - March 13, 2009) To create a highly refined space, Samuelson has created the 4017 Chest adorned in a delicious red fusion finish. This very functional furniture piece was inspired by a combination of Modern, Art Deco, and Asian styles creating an eclectic yet timeless piece. Just like spices enhance the flavor of oriental foods, the 4017 Chest will surely add a vibrant spice of style to a room's décor.

Ideal for storage or as a side table, the 4017 Chest measures 39" wide x 18.5" deep x 30" high and is shown in Espresso base with a Fusion Red cabinet finish and satin brass ring pulls. It retails as shown for \$10,790. The 4017 Chest is part of the Delano Collection, a contemporary collection inspired by the very talented John Black. John's talents extend beyond his furniture designs in that he is able to capitalize on Samuelson's manufacturing strengths, superior finishing and attention to detail.

Samuelson Furniture is renowned for beautifully crafted furnishings built to last a lifetime. The company can trace its roots to a rather humble beginning in Paterson, NJ and a father-and-son team with inspired dreams. Now in its fourth generation, Samuelson offers a magnificent line of handcrafted bedroom, dining room, living room and occasional furniture in both contemporary and traditional designs. No matter the style, each and every piece features inspired design and heirloom quality. Please allow us the opportunity to show you who we are and what we do.
